IMPORTANT - HIRE CHARGES

As most people would acknowledge many costs have risen by up to 30% over the last 12 months. This includes vehicle insurance, Public Liability Insurance, MOT's, vehicle maintenance, fuel, staff and utilities. These increases will impact greatly on our yearly running costs which cannot be reduced or avoided in any way whatsoever. Our hire charges have gradually reduced to those of some 5years ago. Our ever rising motoring/running costs and our effort to continue to provide you with superior vehicles at fair prices is proving difficult to maintain. Due to the outstanding condition of our vehicles, Insurance and the quality service we provide, we will always endeavour to offer the best prices possible so everyone may enjoy these superb cars - but, to continue to provide you with superior vehicles at fair prices. We do not ask for further discounts. We do not wish to offend you when we say we have to politely say 'No'.
